Will;

Attached are the revised documents. Hope this will satisfy. I do not know any other facilities near the site that can accept TSCA waste and the rates appear to be reasonable.

Thanks
Gary Moore

Hey Gary,

I made some changes to the TO Request and the IGCE, but they still need a few things. Please make your revisions to the versions I have attached to this email so that my changes aren't lost!

Please fill out the site info block on the TO Request (see below).

SS ID:
CERCLIS #:
Name: Frank J. Doyle Salvage Site
Address:
City:
State:
Zip Code:
County:

As for the IGCE, the T&D and Material numbers you have entered on the IGCE tab do not agree with the numbers for the same items on the Assumptions tab. Please make them match. Also, Latrice is going to want to see where you got all of the numbers from. So far, you're only citing a call to Republic Landfill. Historical, similar work at another site is usually a safe bet.

No. I was concerned about getting year end dollars on it is all.

It's on my list, but there's a couple in front of it still. Do you need the contractor on site by a certain date?

Will:

I was just checking with you on the status of your review.

thanks
